re Corrections to Notifications already issued

The Residency suggest that 2 Corrections may be made in the Notifications issued by this Govt.

The first one is a mistake and will be rectified. (Mysore for British India)

The use of the expression "Govt of India" was purposely used in our Notifications as was done on earlier occasions. But the Residency suggest that the expression "Govt of Mysore" may be used this may perhaps be done.

An Errata in respect of the Corrections is put up for approval.
